Seersucker

YARN DYE

Seersucker is a 100% cotton fabric with a puckered look and it is perfect for spring and summer periods, due to its elegance and lightness. We supply lovely seersucker items in fresh summer colours in checks and stripes.

Piqué

PIQUÉ KNITTED

Pique knitted fabric is a novelty in our collection, available in two timeless colours of white and blue! It became the “polo” fabric because it is comfortable, flexible and breathes well. It is known for its geometric knit. If you look at it closely, it seems to form a “honeycomb” or “waffle” type of pattern. More colours will follow soon!
